Statement

I would like to work with a group of people whose vision and mission promote healthy lifestyles and values. I want to use my photography, graphics, and web design skills to create beautiful and functional solutions that will help achieve these goals.

Education

Bachelor of Environmental Design

Texas A&M University 2003

Employment

2005 - Present

InPhocus Graphics Photography Web LLC. ~ Owner

www.inphocusonline.com

I provide photography, graphics and web design for more than 80 satisfied clients per year. Proficient in photography, lighting, graphic/print design, print implementation, web design/creation, hardware/software maintenance, customer service, leadership, client relations/collaboration, social networking, and managing a small business.

2001 - 2004 (As intern and full-time employee)

Krochina Architects (now Nvision Architecture Inc.) ~ Web Master, Designer, Drafter

Total website creation, implementation, and upkeep. I produced both web and print designs and prepared layouts for presentations utilizing 3-D modeling with stills and video creation.
